### Specification

Hettich runner system

**Quadro V6 full extension runner**

for wooden drawers

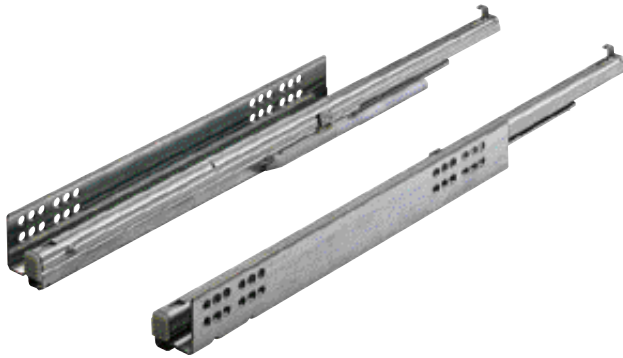

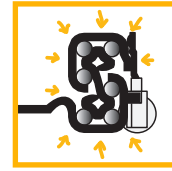

Slide-on assembly

with **Silent System**,

Nominal length ... mm

Load capacity 30 kg

Concealed 12-track runner design

- Load capacity 30 kg
- **Silent System:** the cushioning system integrated in the Quadro V6 closes the drawer without a sound – as soft as velvet.
- Perfect vertical and lateral stability. The robust, resilient tracks ensure optimal runner action through precision-guided steel balls.
- Maintenance-free through self-cleaning ball tracks.
- The integrated roll-out prevention inhibits accidental opening.
- **Slide-on assembly** – simply place the drawer on the runners and push home. Done!
- **Flexibility through interchangeability** – swap between Quadro partial and full extension runners without changing cabinet, drawer or front panel dimensions!
